

Construction Contracting Operations Management Level 6

Who is this qualification for?

This qualification is for senior-level technical people in a range of job roles including Project Managers, Site Technical Experts/Managers, Estimators, Quantity Surveyors, Buyers and Planners . As a minimum they will be involved in:

- ✓ Maintaining health, safety and welfare systems
- ✓ Chairing meetings and taking decisions
- ✓ Planning, allocating and monitoring work
- ✓ Developing and maintaining working relationships and personal development
- ✓ Identifying, assessing and evaluating project requirements
- ✓ Dimensional control, surveys, physical testing and work planning

This qualification covers all areas of the construction cycle including demolition, maintenance and companies specialising in a single operation such as roofing, plastering and shop-fitting.

There are five pathways to this qualification: Buying, Quantity Surveying, Planning, Estimating and General Contracting (the General Contracting pathway may be suitable for Project Managers, Site Agents, Site Managers, Logistics Managers, Lifting Managers, and those who carry out the role of Principal Designer.

Is this qualification eligible for the CITB Grant?

Yes, CADUK are a CITB 'ATO' and this Level 6 NVQ is eligible for the CITB Short Period Qualification Grant scheme. This enables CITB registered companies to claim back **£1500** on completion of the qualification.

Does this qualification provide access to MCIOB?

Yes, this Level 6 NVQ provides the opportunity for learners to apply for Chartered Membership with The CIOB through the Full Professional Review. Generally, applicants will need at least 3 years' experience in construction management in order to be successful.

How is this qualification assessed?

This qualification is assessed online with no classroom-based element and no site visits required. We have options to complete this NVQ at your own pace through our ePortfolio system (via written work), or for the more experienced manager we have a **fast-track assessment** option - which is assessed entirely through 'professional discussion' with your assessor and involves no written work.

How long does this NVQ take to complete?

We provide support for a period of 12 months, however a realistic timeframe for completion of this qualification is 2-3 months through the 'standard' (written work) assessment method, or 2-4 weeks through the '**fast-track**' (discussion-style) assessment.

What are the entry requirements?

No prior qualifications are required in order to apply for this NVQ. Candidates will however have to undertake a short profiling session with their assessor to make sure that they can be successful (i.e. - they have the experience, skills, knowledge and required workplace evidence) before they are approved to enrol onto the qualification. There is no charge for this profiling session.

What are the benefits of this qualification?

- ✓ Access to the Black (Manager) CSCS card.
- ✓ Recognised as comparable to a Bachelor's degree in construction management (OFQUAL).
- ✓ Increased earning potential
- ✓ Access to MCIOB through the Full Professional Review pathway
- ✓ Demonstrates commitment to professional development.
- ✓ Provides business benefits for potential employers.
- ✓ Demonstrates competence to an industry standard.
